IAWP CONFERENCE POLICY

1. Purpose:

The Board of Directors of the IAWP acknowledges that the annual conferences are vital to the Association. Each conference provides a forum for our members to assemble, share in the latest training and techniques and learn about new products, services and career opportunities in all areas of law enforcement. It is also important to note that surplus funds from the annual conferences are vital to sustaining the IAWP.

2. Objectives:

The responsibility for management of the annual conference is very important; therefore, the Board of Directors of the IAWP hereby establishes this conference policy to delineate responsibilities, and minimum IAWP conference requirements, and to provide procedures to ensure successful conferences. It must be used in conjunction with the guidelines contained in the separate Conference Guide.
